

BEYOND HARBOURSIDE is a joint venture between the Beyond International Limited entertainment group (www.beyond.com.au) and Harbourside Film Finances, and is managed by **Bryan Lowe** and **Ron Saunders (for Beyond)**.

Beyond Harbourside is focused on international film production with Australian tax rebate benefits including the Producer Offset, Location and PDV Offsets. The venture combines over 20 years of film production and sales at Beyond with over 10 years of film finance at Harbourside.

BEYOND is a vertically integrated TV production and sales company; and in film it has over 20 years experience in production and international sales, currently with a catalogue of over 100 Australian feature films with stars including **Russell Crowe, Hugh Jackman, Heath Ledger, Eric Bana, Toni Collette** and many more.

HARBOURSIDE is Australia's most successful private sector film finance company having funded 11 films and 3 TV series worth over \$100m in venture with **Macquarie Bank** and the **Nine Network**.

BEYOND HARBOURSIDE is uniquely positioned to commit experience, knowledge and infrastructure to the production, funding and sales of feature films globally, offering;

- Experienced executive producer and production management team.
- Project and financial management infrastructure and back office to world's best standards; together with secure production legal support, business affairs and accounting.
- Production partnerships with Australia's most talented writers, directors and filmmakers.
- Expert and secure production services for projects originating outside Australia that are seeking offset subsidy benefits in Australia.
- Distribution in Australia and New Zealand.
- Australian resident qualification for the Federal Government Producer Offset and other tax rebates up to 40% of QAPE.
- Australian qualification for access to equity contributions from Screen Australia and State subsidy bodies.
- Co-production expertise between Australia and major Treaty partners including UK, Canada, Ireland, Germany, France, Italy, China, Singapore, etc)
